The Condesce was able to extend lifespans and it is shown that her pre-scratch self, Meenah, is a Thief of Life. Normally, a ring of Orbs does not work on humans, but Roxy thinks the ring is helping her to Journey of Light & Hope in touch with her own Void powers. Latula, as the Knight of Mind, states that karma makes some sort of intuitive sense to her, and her alternate self, Neophyte Redglare was said to be a highly talented Legislacerator.

Terezi was able to see what decisions will be made, and the outcomes of such decisions. Due to the aspects of Time and Space being essential to a session, and Hephaestus and Echidna having connections to the scratch construct and the Forge respectively, it is believed that at the very least, these two denizens may be consistent in normal sessions. It is unclear how many of these parallels directly relate to the Space aspect.

This behavior properly parallels the Void aspect obscuring information and also has connections to direction and freedom, as John is very seldom at a loss of what to do. Dave's denizen is Hephaestus while Aradia's and Damara's denizens have not been shown.
