His work is a solid contribution to the scholarship already available on General Arnold and the strategic air war in the Pacific. It should be available in the professional reading section of base libraries. Can I borrow this item?

LSTMisinternallywelltheequivalentframingtodelete. The B long-range bombing campaign against the Japanese home islands dictated unprecedented organization and command; hence, Arnold established the Twentieth Air Force, commanded by himself from Washington and reporting directly to the Joint Chiefs of Staff. Arnold, the architect of the bombing offensive, emphasized that Japan was already defeated in the summer of by the bombing and blockade and that it was not militarily

necessary to drop the atomic bomb. GeneralsoftheArmy.About
