He has travelled the world extensively and lectured and worked in property. There will be a sequel, right?????

Though Castle was convinced the killer was a man named Karl Black, not only could Castle employ a brilliant psychologist to help him solve the case, but some psychopaths Apostle Rising cleverer than. I have been given an advanced copy to read, with no obligation to review, but I just had to review this. He's a clever psychopath, cleverer than the police's psychologist and profiler, and the leader of an underground cult who carries out ritual offerings through spilling Apostle Rising blood of famous figures.

And that's what passes for mystery stories in our fiction. It is important to be committed to their job but the pressure of the cases starts to get to both of Apostle Rising. He's running a sinister cult and playing dark mind games with the police.
