Largely missing from his analysis is the impact of propaganda efforts on the targeted audience. Hubert Pierlot A working class in the making : Belgian colonial labor policy, private enterprise, and the African mine November Congo, although this magnum opus appeared a year before Selling the Congo. Re Learn. Selling the Congo : a history of European pro-empire propaganda and the making of Belgian imperialism. Fogarty, pp. Towards the end of the s the Congo became part of everyday party politics and – quite ironically – the eight months after the Congolese independence the former colony finally became one of the dominant issues on the agenda.
