Learn why native plants are a great choice to enhance the enjoyment of your property while benefitting the environment in a surprising number of ways. The best test is to feel the soil- it can be a little dry on the surface, but underneath may still be damp. Lorraine lived in Lake of the Gardeners and developed a lasting appreciation of the art of Japanese gardening.

He currently works as the Greenhouse Manager at Mercer Botanic Garden in Humboldt. The subtle beauty of the gardens will be brought to light for our enhanced appreciation.
