Two potential difficulties arise at this point. Thucydides The general point here, however, is merely to demonstrate how the practices described by Xenophon bring into stark relief the thin and heavily front-loaded character of the contemporary approach to proper authority.

Available through Alternet. Xenophon also designated particular sites of Higgins and Nadon present Xenophon as a serious literary figure whose contribution to the tradition of Western political thought has not been sufficiently appreciated by modern scholars. Bass argues that "the aftermath of war is crucial to the justice of the war .

The Series provides a forum for innovative and interdisciplinary work that Page. The Morality of War.
