His son Edward II is a weak, ineffectual ruler who surrounds himself with his young peers who prove to be unsuccessful in The Plantagenets: The Kings Who Made England Edward or the affairs of England. I became so engrossed in the lives of the various members of this ruling family, that I would find that I had been reading for an hour or more without realizing it. Henry had honoured him with the passage of the princes party, but with duty came a warning: I entrust to you my sons William and Richard, whom I love as my own life.
