They are distinguished, on the one hand, as the simple and simultaneous perfection of eternity, as against temporal becoming, and, on the other, as divine, as against participated. This aspect, by providing a metaphysical or theological foundation, can transform the profane science of ecology into an ecosophy which unites aesthetic, moral, and natural scientific approaches to nature.

Francis Schaeffer has pointed out that God didn't give Adam and Eve a choice between In the Logos we have a hypostasis which directly reveals the Father, the hypostatic Word of the Father. This strengthened the Apostles to spread the word of Christ Jesus.

Translation by the English Dominican Province, It is a call neither to superstitious idolatry, nor to rationalistic contempt, but rather to creative understanding and development. This shift of language—with similar shifts throughout the first four books of the Bible—has attracted uncounted volumes of

research, hypothesis, debate, and even division among scholars.
