Feb 28, Linda rated it it was amazing. Mine started with just a single click. Jump onboard with Cass and her crew as she charts a course toward an alliance that will either make her or break her as Captain of the DS Anarchy. But it took away a star because I did not get emotionally invested in her life. Bu This is definitely a book for adults! On the run, unsure of who to turn to and discovering she possesses mysterious powers, Sienna finds herself pursued by a shadowy agency known as the Directorate and hunted by a vicious, bloodthirsty psychopath named Wolfe, each of which is determined to capture her for their own purposes... All of this are in a handy-dandy index, and are explained through the story. Bu is an epic tale full of danger, adventure, friends, and a wolf the size of a bull moose, and it all started on my living room couch.
