Date of Birth. Unlike military metaphors, journey metaphors shift the focus away from a win, lose or fail notion. I have always breathed from a place of frenetic, creative energy and these days, well, these days... The canvas sits atop the easel, unfinished, untouched, the water evaporating away leaving brittle, lonely brushes.

Hewhimpersandwithdraws,browfurrowed,kneesdrawndeepersstillintohisc Management consultants at Say Yeah look to the challenge of helping companies make the transformation to digital. You make me into someone that I don't want to be. I am here if for no other reason but to praise the One who made it possible. Therewereotherwomeninthecommunitywhowantedtopraywithme.When it comes to looking at customer journeys and finding value and efficiencies, regardless of the project or scale, digital tools and processes can give businesses the leg up they need.
