A key problem yet to be solved by performance studies specialists is the vexed question of terminology in reference to those present at a performance and what they are doing. The words made available by most European languages come heavily burdened with connotations that lead to distortion and misunderstanding. Unpublished PhD thesis.

What is being elucidated is not the meaning of a particular piece of performance. Translation Frank Collins. Locating performance at the centre of scholarly enquiry has entailed developing methods of approach that make possible a serious engagement with the pragmatics of expressive and communicative phenomena that are unrecordable, unrepeatable and necessarily ephemeral. Bloomington : Indiana University Press. Read, Alan. Your rating has been recorded. The nub of the problem for rehearsal

studies, as for ethnography, is how to move the analysis from micro to macro, to see the ways in which descriptive detail leads to a bigger picture.
