Who knows European hunter gatherers range may have gone into central Asia or possibly didn't take up all of Europe. Between and the number of Eastern European immigrants increased significantly due to the dissolution of Czechoslovakia, the Soviet Union, and Yugoslavia see Figure 2.

Advances in technology, settlement, and subsistence are preserved in the hearth. Guilt thus played a major role in English culture at least as far back as Anglo-Saxon times. People with lower extroversion tend to be more cautious and to be less high on positive feeling in response to pleasant stimulation.

Even now, the far northwestern part of Europe, which was the last to Christianize, has historical schisms underlie this common religious identity: Each of the three major Christian traditions – Catholicism, Protestantism and Orthodoxy – predominates in a certain part of the continent.
