Article March 07, A clear paradigm shift is taking place as senior officials are increasingly committed to good governance and public management.

Leaders need to be able to deal with more ambiguity and in the face of difficult. Additionally, while Marxism–Leninism justifies the one party state, in practice the CCP leaders are staking their legitimacy on rising living standards for the population as a whole, as expressed in harmonious society policy. Downloaded: To balance strong global HR strategies and platforms, companies should build flexibility and agility into HR so it can be customized for local markets.
