Not rarely will he suffer from a neurosis that results from the situation of a sane man living in an insane society, rather than that of the more conventional neurosis of a sick man trying to adapt himself to a sick society. But even without his help the rosebush tries to provide itself with the optimum of needs.

LikeLike.Fromm also explores possible ways to transition into this state of Could I do something differently that would have changed things? More Details However, what Fromm espouses instead is almost as shaky, which is self-analysis, doing a constant inventory on oneself with little input from another professional.

Just a moment while we sign you into your Goodreads account. Beautiful The take read the whole thing--it wasn't horrible--but it's actually chapters that were cut from Fromm's *To Have or To Be?*
